HR --

I am assuming the OSWR (who is directly on distribution for the attachment) is the person who received the 1978 assessment and will do the commenting to Giessler.

Do you have any comments you'd like to forward to him as well?

MEMORANDUM FOR DISTRIBUTION

SUBJECT: C³I Net Assessment Update

We are preparing an updated summary paper of the 1978 C³I Net Assessment that was done for the Secretary of Defense. Because of the compressed time schedule the attached letter has been sent directly to the people listed who were involved in the preparation of the original assessment or have been identified as experts in some aspect of the C³I balance. You may want to suggest others to be involved in this quick update. Your comments about issues to be included or expanded upon in the update would also be valuable.
